- Are you going to do a NEW important Investment
- Or do you only want to have SAVINGS that will increase your PROFIT

At **KROPS**<sup>®</sup> we can offer you  
the best answers for your  
Company or Organization.

# Krops®

is an EXPENSE REDUCTION CONSULTING FIRM, with a wide National and international purchasing experience, fully committed to the generation of savings by reviewing all kinds of expense categories or purchases your business or organization has or might have to do.

Our Mission is to bring together compatible offers and demands with a value added proposition, in an innovative, profitable and timely manner. This is why we have consolidated ourselves as a Company of reference for generating savings and finding supplier

alternatives that will meet almost any need.

Our current services are:

## SUPPLIER MARKET RESEARCH

which includes a detailed report with the economical, technical, references and performance information of suppliers, to improve your strategic decision-making process.

## SAVINGS GENERATION MOSTLY PAID ON A CONTINGENCY BASIS,

which includes all the information required to earn the SAVINGS we

find. We will be with you throughout the process in order to implement and sustain those savings in the long run.

For most of our projects **If you do not save, you do not pay, and if you save we all win.**
